Bangalore, 25th May 1923.

File No. 4848

From

T. Satyaraj Chetty, Esq., B.A.,
Secretary, Mysore State Life
Insurance Committee, Bangalore.

To

Rajakaryaprasakta M.N. Krishna Rao, Esq., B.A.,
Financial Secretary to the Government of His
Highness the Maharaja of Mysore, Bangalore.

Sir,

I have the honour to invite reference to Government Order No.Fl.1032-74 B 63-07 dated the 26th August 1908, laying down the procedure for dealing with cases of insurance proposals in which the dates of birth as proposed for insurance and as given in applicants' service registers differ. This order directs that cases in which the difference between the divergent dates of birth is more than a year should be reported for the orders of Government. This ruling applies to proposals for insurance received subsequent to the date of the order. Differences of this kind may also be found in cases accepted for insurance before the date of this order, and as there is, so far, no general ruling for dealing with such cases, following the principle of the order of the 26th August 1908, cases in which the difference is more than a year, may be required to be reported to Government for their orders and other cases left to be settled on their merits by the President and the Secretary. The approval of Government for this procedure may kindly be communicated.

I have the honor to be,

Sir,

Your most obedient servant,

T. Satyaraj Chetty

Secretary, I. C.

The rule 5-A of the official Branch Rules in that behalf has since been amended as in the G.O in flag Q. The present reference is for a ruling in the case that existed prior to that order of 1908, as Government orders will be ordinarily deemed to take effect from date.

dates of issue unless otherwise specified. The Cases prior to mail order are proposed to be brought under the purview of the Order 1918. A general permission to do so appears to suffice, without further modifying the Rule 6: A in the matter.

Submitted a draft approval, for order

25/5

According to the Rule as recast in October 1921 last it now stands, it is only the date in the Service Register that should be adopted for Increment also as the present procedure for accepting date of birth for service Register prescribes all necessary safeguards for ensuring the accuracy of dates furnished

As old cases are reported in which differences are noticed they appear to come up now & then for disposal. The procedure prescribed in the order 1918 may with advantage be adopted in such cases as suggested in the letter under disposal. Hence after put up according to this view is for approval & then order
